

Jay Deitz & Associates

Court Reporting Services & Litigation Support

Powered By DepositionNet

Over 40 years of excellence.

Jay Deitz & Associates has defined a new standard of excellence that you will come to depend upon with each new job we do for you. With over 40 years of experience and a staff of over 200 metro NY & LI court reporters, we are uniquely equipped to completely handle your court reporting needs.

Jay Deitz & Associates focuses on court reporting services and related litigation support. Let our experienced court reporters help you secure the record on your case. Allow our friendly office staff to ease the burden of arranging for your deposition.

View your testimony in our proprietary, secure DepositionNet online web repository. And enjoy the benefits of our MY-Account access to review transcripts, invoices, statements and the like - right from your desktop, laptop or case management system.

You may utilize our Deposition Suites & Conference Facilities or we will go to any location that is convenient for you. Our services are widely accepted by both plaintiff and defense counsel alike. We guarantee you a response time for transcript turnaround...our reputation depends on it.

Save time, save money, improve quality, raise your standard of expectation - use Jay Deitz & Associates for your court reporting and litigation support.

MY-Account powered by DepositionNet... Online Deposition Library & Account Access

Our exclusive MY-Account feature, seamlessly ties your firm's transcription to the case, billing and document management functionality of the DepositionNet data engine. You have complete control over access to statements, invoices and documents from the firm level down to the individual level.

DepositionNet is our proprietary web-based solution to managing your transcript library. It is ideal for firms, with multiple locations, with both local and regional or national presence.

DepositionNet seamlessly migrates data between the MY-Account function and the transcript management function of the web-based system. It populates itself as you go about your normal routine of taking depositions, so there is no additional work required.

Why use DepositionNet?

Convenient, no cost access
 Access your data from any computer via encrypted, password-protected login.

Searchability

Locate and update your transcripts quickly and easily including:

- Invoice Number
- Case Name
- Witness Name
- Keyword
- Review Account Statement
- Review Pending Work
- Inspect Invoices
- Submit New Jobs Online

Free up your office for people, not paper.

DepositionNet brings you one step closer to the paperless office. No scanning, no coding, no publishing is required.
